Señor Presidente: Usted es el padre de mis trillizos (novela) La historia comienza con Marissa Aaron, quien se casa con Raphael Sinclair sin que él lo sepa. Sin embargo, Rafael no es su esposo verdadero, sino el hermano mayor de Valerie Aaron, la verdadera esposa de Rafael. Marissa intenta explicarle a Rafael la verdad, pero él no le cree y decide dejarla. Un año después, Marissa descubre que está embarazada y decide abandonar la ciudad sin contarle a Rafael. Sin embargo, Rafael se entera de la verdad cuando Marissa visita su hogar con sus hijos gemelos. Rafael es el padre de los bebés y decide perseguir a Marissa para recuperarla. La historia sigue con Shi Xiao Nian, una dibujante que vive una vida normal hasta que un rico director ejecutivo llamado Gong Ou la captura y le pide que devuelva a su hijo. Gong Ou sufre de un trastorno de personalidad paranoica y utiliza todas sus técnicas para forzar una respuesta y perseguirla. Sin embargo, cuando Shi Xiao Nian se enfrenta a la gentileza y coraje de Gong Ou, se enamoran. La pregunta del millón es si Marissa alguna vez podrá perdonar a Rafael y volver a amarlo. Xiao Nian, a third-grade artist, lived a normal life until the day she was caught by Gong Ou, a wealthy CEO with paranoid personality disorder. He demanded she return his son, whom he claimed she had given birth to three years ago. Using all means, including low-fuzz surveillance, he tried to force her response and pursuit. However, when faced with her kindness and courage, they fell in love instead.
